Nowadays quiet and calmness seem to be the new intangible luxuries: deserts are some of the few places in which they still exist. Deserts inspire the technological innovation because, despite the hostile environment, they have always given rise to life, both animal and vegetable. ICC Sahara collection takes inspiration from these landscapes, rich in sun and light, with warm and sandy textures next to dark colours of desert nights.

Effects

Nails with an ethnic but simplified and modern style. The surfaces' irregularity becomes elegance.

How to use

Apply the product directly on nails as a normal nail polish.
