Thanks to the ICC Nail Polish Marker the nail art on your nails is even easier! The application is extremely fluid, like a standard marker. Draw on your nails to make creative nail art design. This product is not water based, like the ones on the market, but it is a real nail polish, in order to have coverage, gloss and lasting.

Effects

Extremely easy application, fast drying, ideal for travel.

How to use

The product must be activated before use.

To activate the product, press the marker's tip on a flat surface, so that the tip goes inside the marker.

Repeat this operation for 3 times, then keep pressed the marker on a flat surface for 30 seconds until the tip is completely colored.

Do not apply the top coat.
