Nail care is more and more important and the nail polish is often considered an enemy for health and strong nails. With this collection it is possible to wear a nail polish and at the same time to care and strengthen your nails. In fact, this line contains in functional dose an ingredient specifically tested on nails that, regularly used, makes them thicker and harder.

Effects

Every colour contains a raw material that effects on nails hard keratin stimulating the synthesis and making nails 12% thicker, 51% stronger.

How to use

Apply the product directly on nails as a normal nail polish.
