

# EQUATORIAL

Fragrance  
characteristic

Colours  
from 8170 to 8177

Regulations  
to evaluate with Regulatory  
office

Into a society in continuous digitalization, we need physicality and concreteness. This line exalts the energetic sensuality of equatorial areas, in which passion expresses itself through shapes, colours and odours, typical of the uncontaminated nature of the jungle. So, we find vibrant and bright colours, both in warm tones like fuchsia and yellow, and dark tones like deep blue and brown.

## Effects

**Tropical Camouflage**, shimmering colours typical of the tropical and equatorial flowers

**Scented Nailgloss**, glossy, lightly coloured and scented top coats

## How to use

Apply the product directly on nails as a normal nail polish.
